License terms

Folioplain Free 2027 Printable Calendar. These terms apply to every file in this download.

You may

- Print and use the calendar for yourself, your family and your own home, as many times as you like.
- Print copies for your own classroom, study group or small team to use (free of charge).
- Share the **link** to the Folioplain store page so other people can download their own copy.

You may not

- Sell the files or printed copies, or include them in anything you sell.
- Upload, email or post the files themselves to websites, marketplaces, shared drives or groups. Please share the link instead.
- Remove the Folioplain name from the pages or present the design as your own.

Ownership

Folioplain owns the design and layout of these files. Downloading them gives you a free, personal, non-exclusive, non-transferable license to use them as described above. It does not transfer ownership. The fonts used (Plus Jakarta Sans and Source Sans 3) are licensed under the SIL Open Font License.

No guarantees

This calendar is a planning tool. We checked every date in it carefully. If you find a mistake, contact us and we will fix it.
